Good Morning PFAS Network,

Please find materials that can be used to discuss the Action Plan externally. Your PADs should also be receiving (have received) these materials from OPA with additional details.

- Powerpoint: Can be used to present on the plan. The background is provided for information but is not necessary to use.
- Briefing paper: For internal use as talking points when briefing and presenting the ppt. Not intended to be handed out.
- Fact sheet: To be used as a hand out for any interested parties (best printed as legal size).

Please let me know if you have any questions.
Thank you.

Thanks!
Hannah
